

Company Info

BY STUDENTS. FOR STUDENTS.

No university affiliations. No half-truths. No out-of-touch authors who haven't been in school for decades. A class project turned company, College Prowler produces guidebooks that are written by actual college students and cover the things students really want to know.

ONE SCHOOL. ONE GUIDE.

Unlike other guides that jam everything into a five-pound book and devote only two pages to each college, our 211 single-school guidebooks give students only the schools they want and all the information they need. The Harvard book is all about Harvard; the NYU guide is all NYU.

THE INSIDE SCOOP

Whether readers are looking for "Top Ten" lists, "Best and Worst" lists, "Did You Knows?" or traditions, College Prowler guides have it all. Our books are the only place for local slang, urban legends, and tips on the best places to find a date, study, or grab a bite to eat.

HUNDREDS OF STUDENT QUOTES

From academics and diversity to nightlife and sports, we let the students tell it how it is. In addition to editorial reviews and grades for 20 different topics, over 80 percent of each guide is composed of actual student reviews of their school.
